

GURDWARA GURU GRANTH SAHIB PUNJABI SCHOOL

Academic Integrity, Malpractice and Artificial Intelligence (AI) Policy

Policy Review Date: September 2026

Next Review: September 2027

1. Purpose

Gurdwara Guru Granth Sahib Punjabi School is committed to promoting honesty, fairness and integrity in all learning and assessment activities. This policy ensures that all pupils complete their own work, receive appropriate support from teachers and parents, and understand the responsible use of Artificial Intelligence (AI).

The school believes that learning should reflect each pupil's own knowledge, understanding and effort.

2. Scope

This policy applies to:

- All pupils attending Punjabi School
 - Parents and carers
 - Teachers and volunteers
 - Internal classwork
 - Homework
 - Projects
 - Class assessments
 - Mock examinations
 - AQA examinations (alongside AQA regulations)
-

3. Academic Integrity

Pupils are expected to:

- Complete their own work.

- Produce work that reflects their own understanding.
- Ask teachers for help if they are unsure.
- Respect the work of others.
- Behave honestly during lessons and assessments.

Teachers will encourage pupils to develop independent learning skills and provide appropriate guidance without completing work for pupils.

4. What is Malpractice?

Malpractice is any action that gives an unfair advantage or prevents a pupil from demonstrating their own ability.

Examples include:

- Copying another pupil's work.
 - Allowing another pupil to copy your work.
 - Copying information from books or websites without acknowledgement.
 - Using translation tools to complete work without teacher permission.
 - Asking another person to complete homework.
 - Bringing unauthorised notes into assessments.
 - Communicating during tests or examinations.
 - Altering marks or school records.
 - Using mobile phones or smart devices during assessments without permission.
-

5. Artificial Intelligence (AI)

Artificial Intelligence (AI) refers to computer systems that generate text, translations, answers, images or other content.

Examples include:

- ChatGPT
- Microsoft Copilot
- Google Gemini
- Claude
- Other AI-powered learning tools

AI can be a useful educational resource when used responsibly.

6. Acceptable Use of AI

AI may be used when a teacher has given permission.

Examples include:

- Understanding difficult Punjabi vocabulary.
- Practising grammar exercises.
- Generating revision questions.
- Checking spelling.
- Learning sentence structure.
- Supporting independent study.

AI should always be used as a learning aid, **not as a replacement for learning**.

7. Unacceptable Use of AI

The following are considered unacceptable:

- Asking AI to complete homework.
 - Copying AI-generated answers and submitting them as your own.
 - Using AI during tests or assessments.
 - Using AI translations without teacher permission.
 - Using AI to write essays or assignments without acknowledgement.
 - Using AI to impersonate another pupil.
 - Using AI to create inappropriate, offensive or misleading material.
-

8. Parent and Carer Responsibilities

Parents are encouraged to:

- Support independent learning.
- Encourage children to complete their own work.
- Avoid completing homework for pupils.
- Use AI responsibly if helping children study.
- Inform teachers if they have concerns regarding academic honesty.

Parents should support learning rather than provide answers.

9. Teacher Responsibilities

Teachers will:

- Explain expectations clearly.
 - Teach pupils about plagiarism and responsible AI use.
 - Design assessments that encourage independent work.
 - Monitor classwork and homework.
 - Investigate suspected malpractice fairly.
 - Keep appropriate records where necessary.
-

10. Reporting Concerns

If malpractice is suspected:

1. The teacher will discuss the concern with the pupil.
2. Evidence will be reviewed.
3. Parents may be informed where appropriate.
4. The Head Teacher or Punjabi School Management Committee may be consulted if required.

Every case will be considered fairly and individually.

11. Consequences of Malpractice

Depending on the seriousness of the incident, consequences may include:

- Reminder of school expectations.
- Verbal warning.
- Repeating the work.
- Loss of marks for class assessments.
- Parent meeting.
- Removal from an assessment where appropriate.
- Referral to the Punjabi School Management Committee.
- For AQA examinations, referral under AQA Malpractice Procedures where applicable.

The school aims to educate pupils rather than punish them wherever possible.

12. Respectful Use of Technology

All pupils must use digital devices responsibly.

Pupils should:

- Respect others online.
 - Protect passwords.
 - Not share personal information.
 - Report inappropriate content.
 - Use school technology only for learning purposes.
-

13. Confidentiality

Information relating to suspected malpractice will be treated confidentially and shared only with those directly involved in investigating the matter.

14. Equal Opportunities

All pupils will be treated fairly regardless of:

- Age
- Gender
- Disability
- Religion
- Ethnicity
- Language
- Additional Support Needs

Reasonable adjustments will be made where appropriate.

15. Policy Review

This policy will be reviewed annually by the Punjabi School Management Committee or sooner if changes in educational guidance require amendments.

Declaration

By attending Gurdwara Guru Granth Sahib Punjabi School, pupils and parents agree to:

- Complete work honestly.
- Follow school rules.
- Use Artificial Intelligence responsibly.
